

# Have fun. Be safe. Carry naloxone.

Naloxone (Narcan) can reverse  
an opioid overdose.

Carry it this Pride and all year long.

# You can help keep your friends safe.

## Carry naloxone

It's safe, legal and available over the counter.  
Find naloxone near you:  
[WAFriendsForLife.com/Get-Naloxone](http://WAFriendsForLife.com/Get-Naloxone)

## Buy and use fentanyl test strips

[BunkPolice.com/product/fentkit/](http://BunkPolice.com/product/fentkit/)

[DoseTest.com/product/fentanyl-test-strips/](http://DoseTest.com/product/fentanyl-test-strips/)

## Stick to a buddy system

Think of this like having a designated driver.  
That way, one person is alert to watch for signs of overdose.

## Call Never Use Alone at 877-696-1996

This nationwide toll-free call center is available 24/7/365.  
Volunteers stay on the phone and alert emergency medical services if a caller becomes unresponsive.

## Go low and slow

Start by taking a very small amount of a drug and give it time to see how the dose affects you.

## Avoid mixing drugs or mixing drugs and alcohol

The chances of an overdose are higher when drugs are used in combination with one another or with alcohol.

Everyone deserves to live,  
and anyone can be a friend for life.
